

QUICKPIK

The loyalty and mobile payment app for vending and coffee machine users

Connect. Pay. Simplify.

coges

QuickPik

Make it easy to reward customers and accept payments — all without extra hardware.

QuickPik connects seamlessly to Vendon Cloud.

Simple for users. Smart for operators

Top-up your wallet with cash at the vending machine or using a payment card and use the credit when you need it.

Credit on the Cloud

Keep track of your QuickPik credit and purchase history at all times, even from the cogeskey.com portal.

Real-time insights, always available

Track everything with detailed reporting:

- Transactions by user, location, or machine
- Export data for invoicing or audits

Brand visibility

Customize the app with your logo and colors to strengthen your corporate identity.

Scan the QR code on the vending machine to connect QuickPik instantly

Users top-up 24/7 via smartphone with securely linked payment cards.

Monitor purchases and top-ups with automated invoicing and detailed reports.

Easily track MyKey credit alongside other payment methods.
